

PERTUBUHAN PENYELIDIKAN SARAWAK
SARAWAK RESEARCH SOCIETY (SRS)
(PPM-030-13-18022015)

Mission Statement

Sarawak Research Society (SRS) is committed to research that advances knowledge and makes practical contribution to management practise and/or community wellbeing in Sarawak. SRS aims to provide academics, researchers and practitioners a platform to interact and move forward. It also aims to afford emerging researchers and managers opportunities to network with academics and practitioners in their areas. SRS seeks to improve the quality of research in the state and beyond and provide an avenue for interdisciplinary studies so as to mobilise research into practise and create values for the betterment of the society.

Objectives

- To foster research collaboration and promote members' research development.
- To provide support to academics and research students in pursuing research excellence.
- To advance knowledge in academia and mobilise research into practise with real impact.
- To disseminate research findings and ensure that research results and implications are available in formats that will make a significant contribution to the industry and community concerned.

Governance

SRS is co-founded by late Professor Dr Ernest Cyril de Run and A/Prof Dr Hiram Ting. Each year the committee members are nominated and appointed to run the society. Their expertise and commitment ensure that the Society's mission, objectives and activities are administered as a team with integrity and professionalism.
